FREE-THROW SHOOTING CONTEST -- Participants will be given an opportunity to shoot 25 consecutive free-throws. The number of baskets made will determine your score and competition standings. In the event there is a tie between competitors, there will then be a shoot-off per age division to narrow the poll to the top three places.

HOT SHOT COMPETITION --- Participants will be given 60 seconds to shoot at given points on the court that are marked according to distance. Each spot will be indicated clearly as to how many points it is worth due to its level of complication. The player shooting is responsible to rebounding their own shots. The top three competitors per age division with the highest number of accumulated points will win the competition.
